## ANKO VALUES YOUR SAFETY

### Do you own this product?

### Make Your Own Unicorn Sand Ornaments

43418039

**Dates sold:** 2024-11-06 → 2025-11-14

**Where sold:** Anko Glorietta, Anko Alabang Town Center

**Why the product is recalled:** The product is being recalled because the sand may include asbestos.

**Hazard: As per previous recall notice -** The product may cause a risk to health as asbestos has been detected in some samples after laboratory testing.

Importantly, respirable asbestos has not been detected in any of the tested samples. The release of respirable asbestos fibres is unlikely to occur in its current state, unless the sand is processed by mechanical means such as crushing or pulverising.

The risk that any asbestos found is likely to be airborne or fine enough for inhalation is low.

### What to do:

- Stop using the product immediately. Do not allow children to touch or play with the sand.
- Without tipping out the contents, place the container into a sealed plastic container, then double-bag it in thick plastic and seal tightly with tape.
- Clearly label the package as "ASBESTOS – DO NOT OPEN."
- Do not vacuum, sweep, hose, or brush any loose sand.
- Do not dispose of the product in household rubbish, recycling, or trash.
- Return product to the Anko store nearest you for a full refund without need of showing the receipt. Our team will arrange safe disposal through a DENR-accredited hazardous-waste transporter.
